

Bi-Cultural Hebrew Academy

We are currently interviewing for a middle school math teacher position for September 2020.

- Bachelor's degree in math or a related field; advanced degree(s) preferable, not required
- Teaching certification preferred
- Experience working with middle and/or high school aged children
- Patience, flexibility, and a sense of humor
- A solid understanding of child development, varied learning styles, and effective strategies for dealing with such differences
- Well-developed, effective classroom management skills
- Strong organization skills
- Excellent communication skills - verbal and written
- Works well in a collaborative model with other administrators, teachers and parents
- Experience with integrating technology into the classroom
- Ability to engage and inspire students, parents, and families

The school embraces a culture of collaboration with a genuine commitment to professional development enabling our staff to be lifelong learners. Our school provides the opportunity to work in a stimulating, inspiring and rewarding environment, and we are committed to providing a premier educational experience by bringing new ideas, opportunities, people, skills and experiences to our students. Recipient of the 2017 Blue Ribbon School award, Bi-Cultural is a vibrant and dynamic place to work.
